

VOL. 1 | AUGUST 2020

# DENMARK FBLA

Monthly updates for Denmark High Schools Future Business Leaders of America

## First Meeting Recap

Our first meeting on August 27th introduced our officer team, went over the goals of FBLA, types of meetings, and how to become an involved FBLA Member.

FBLA is a competition based club aiming to help high school students prepare for careers in business, develop leadership skills, get involved in community service, and grow their social network,

FBLA offers many types of meetings throughout the year including essential workshops, BAA/CSA workshops, competition meetings and mock presentations, along with our monthly chapter meetings.

Members can get recognized through our membership point system. By participation in conferences, meetings, challenges, and club events. Recruiting other members, fundraising through March of Dimes, and completing BAAs & CSAs are great ways to involve yourself.
