

## Denmark High School FBLA's Fowler Park Social

Denmark High School FBLA is all about giving back to its members because they are the root of the club's success. To kick off the year and celebrate its new and returning members, Denmark FBLA hosted a Fowler Park Social on September 16th. It provided members with opportunities to network, play games, win prizes, and hang out with friends! Denmark also organized a badminton tournament and a water balloon fight to cool off during the social. As a thank you, members were also offered free pizza, drinks, and popsicles to enjoy. Overall, Denmark FBLA received positive feedback from the huge turnout because members had a fun and relaxing time after a long week of school.
