

During the month of December, we hosted a workshop, a networking event, and a can drive...

On December 7th, we hosted a Public Speaking Workshop and invited Todd Jones to be our guest speaker. He motivated and inspired the chapter with his works on success, pushing past failure, and how we all can make an impact.

On December 15th, we partnered with Lambert FBLA to host a networking event where members had the opportunity to win rewards, play business related games, and learn socializing skills all with holiday music and food.

To help-out the community during the holiday season, members donated cans to our monthly community service challenge. All cans were donated to Meals By Grace on December 20th.
