## Recap

A lot has happened in the month of January. To view your Membership Points from last Semester, view the "Membership Point Tracker System" on ItsLearning.

If you missed the Public Speaking Workshop, there is a meeting recording on our ItsLearning page for overview on your public speaking skills, and how to apply them

Great job to everyone who completed SLC testing and project submissions. If you have any questions, contact any of the officers, and check out the ItsLearning page for additional information.

Make sure to recruit members, avidly participate, and join meeting frequently!

## THIS PAST MONTH
