

Monthly updates for Denmark High Schools Future Business Leaders of America

## WHAT IS LINKEDIN & WHAT DOES IT OFFER?

LinkedIn is an online platform that helps build connections in the professional world. It is a great platform for anyone looking to start or advance their career. Often times it helps gain connections potentially leading to experience.

- Gain exposure to Hiring Managers & Recruiters
- Demonstrate your knowledge, credibility, & leadership expertise
- Conduct research
- Wonderful way to apply for internships, jobs, etc
- Gain credibility & showcase talent
- Follow companies & receive updates from them

## WORKSHOP TIME!

## December Recap

A lot has happened in the month of January. To view your Membership Points from last Semester, view the "Membership Point Tracker System" on ItsLearning.

If you missed the Job Skills Workshop, there is a Job Board on our ItsLearning page for work experience, along with the meeting recording.

For SLC information, Project Submission Deadline is February 7th, for Future Business Leader and Job Interview. Project Submission Deadline for February 14th, includes reports, websites, videos, programs/apps, and projects.

BAA's are a requirement to participate at SLC. Future level must be completed by all 1st-time competitors. Community Level, including 50 CSA hours by upperclassmen, and Sophomores must either complete the community level or CSAs or the Business level of BAA's.
